

# Screenshots of my app

A screenshot of a mobile application's registration form. At the top center is a circular logo with the letters 'B&J' and various icons. Below the logo is the title 'Register form'. The form contains five input fields: 'First name:', 'Last name:', 'Email:', 'Password:', and 'Confirm password:'. Each field is a simple white rectangle with a thin border. At the bottom of the form is a blue button with the text 'Register' in white.

1- Registration Form

A screenshot of a mobile application's email verification screen. The screen has a dark background. In the center is a white card with the title 'Email verification'. Below the title is a text input field with the placeholder text 'Enter token'. Below the input field is a blue button with the text 'Verify token' in white. At the bottom of the card is a red text link that says 'Resend token'.

2 - Verification Token Input Screen

## 18 - Subject Creation Form

19 - Expanded Subject Description

A screenshot of an 'Edit subject' form. The form has a white background and rounded corners, set against a dark gray background. At the top, the title 'Edit subject' is centered in a bold, black font, with a horizontal line below it. The form contains three main sections: 1. 'Subject name:' with a text input field containing 'Biology edit'. 2. 'Description:' with a larger text area containing the text 'A subject on which biology will be taught. Edited.'; the words 'biology', 'taught', and 'Edited.' are underlined with red wavy lines. 3. 'Teacher:' with a text input field containing 'Marlena Adamska' and a dropdown menu below it, also showing 'Marlena Adamska'. At the bottom of the form, there are two horizontal bars, one green and one red.
